> Norwich Free Academy defeated Windham High school at football on Windham field Saturday afternoon, before a good crowd, but the score of 17-5, in a game that was stubbornly contested from start to finish. While the visiting eleven displayed a slightly more versatile style of play, and had a similor advatage in weight, coupled with more than an even break of football luck, the lighter eleven representing Windham gave a good account of itself, and would have shown to better advantage had not its players transgressed the rules by overplayers transgressed the rules by over-anxiousness relative to interference with attempts to work the forward

> Norwich Free Academy in all probability displayed its beset form of the season. Her attacks to the left and right of center in the line were well directed and resulted almost invaridirected and resulted almost invariably in good gains. The working of the forward pass by the Academy was also responsible for gains at least three out of every five times attempted. The visitors played a fast, snappy game and played together as a unit. The linemen played low and when a back had the ball there was some semblance of interference for him, as well as a hole all ready for him to enter.

McCormick's Great Playing. McCormick, right halfhack for the Academy, was by far the most con-spicuous figure unon the field, and played a wonderful game, making re-peated gains when called upon. His

Academy's First Touchdown. A forward pass, Swan to Crocker, netted 15 yards, but the latter was downed by J. Keirans as he received the ball, almost on Windham's goal line. Swan took the ball through the line for a touchdown on the next play.

The ball was touchedd to the ground, but the officials did not see it, and Norwich was permitted to kick the goal, which McCormick did.

Coughlin Goes 40 Yards. Manley kicked off to the Norwich goal line, and the ball was returned 18 yards. Windham was penalized 15 yards for interference. Coughlin of Norwich ran 40 yards through a brok-en field, only to be downed by Potter. The end of the quarter came at this

peated gains when called upon. His receiving of punts was also good, save on exception, and his booting of the ball was well worth seeing. With this exceedingly fast and aggressive player out of the line-up of the Aceadmy its team would only be one of mediocre ability. The entire eleven seemed to be built around him. Others to shine in a lesser degree for the Academy were Swan, Tevlin, Crocker and Herbert, who went in at tackle in place of Kinney.

NEVER SUSPECTED KIDNEY TROUBLE-GAINED FIFTY POUNDS IN WEIGHT

Some time ago I was suffering from what I supposed was rheumatism. I became so had that I could hardly get on my feet from a sitting position. I ran down in weight from 195 to 145 pounds. I tried different kinds of medicine but received little or no help. I saw Dr. Kilmer's Swamp-Root highly recommended for kidney trouble but I never had any idea that my kidneys were effected. I thought I would try a fifty-cent bottle of Swamp-Root and see what the effect would be. I commenced taking it according to directions and in a few days I saw that it was helping me. I used the fifty-cent bottle and then bought three more dollar bottles and they completely cured me. I have gone back to my original weight—195 pounds—and I am a thorough advocate of Dr. Kilmer's Swamp-Root as I believe it to be a remarkable preparation for what it is recommended to do.

breaking curves swept with blinding speed over the plate, and 11 Giants, unable to fathom his service, struck out. The Chippewa fanned eleven of the Giants, and Mathewson sent back five Athletics to the bench by the strike-out route. Mathewson's service was effective when hits meant runs. He was the steadler of the two moundmen, giving but one base on balls, while Bender passed four and hit one man. Mathewson employed his sweeping drop curve, which he effectively used with his fadeaway and a high fast one which sped across the plate with a jump to it.

Baker and Oldring of the visiting team were the only men on either club to get more than one hit. Each sot two, and both of Oldring's

New York, which led the National league in base stealing this year, did not run wild on the bases. Bender held them to the bags and only one of the three attempts at stealing was successful. This was Doyle's steal of second in the first inning when Thomas threw a triffe low. In the sixth ining after the attempted steal was attempted by Snodgrass and Herzog. This time Thomas had Snodgrass at the plate by a yard on Collins' good return of Thomas' throw. The Athletics tried to steal once, Baker attempting the trick in the sixth inning, but was turned by Meyers' throw.

From an artistic point of view the game was an ordinary one and would not live long in the minds of those who saw it were it not for what depended upon the outcome. There were scarcely any difficult chances or opportunities for sensational plays such as frequently bring a crowd to lits feet.

The national commission announced that 38,281 per sons had paid admission to witness the contest, and the gross receipts were \$77,35.90; the players \$41,773.86, and each club \$13,924.62. vember 9.05 bid; December 9.26; Jan-urary 9.13; February 9.17; March 9.25; April —; May 9.34; June —; July 9.42. The Laurel Hills won their game on the Cranberry Saturday afternoon, defeating their opponents from Jewett City, 5 to 0. The Laurel Hills played with a number of substitutes in their lineup, but the Jewett City boys never seriously threatened their goal. The winning score was made in the first half on a forward pass from Smith to Capt. Ernic Townsend.

This was the initial appearance for the Laurel Hills this season on the gridiron. Both sides were strong on the defense, the work of Captain Ernic Townsend at end being conspicious. He playing wide and was in on the scrommages, nailing his opponents repeatedly for a loss. On offensive work Revell, who played half made consistend gains. Beebe replaced Robertson at quarter, and kept his team in fighting trim. The forward pass was worked successfully several times by both sides, after ineffectual attempts to buck the line. Messrs. Porter and Morrison handled the whistles. The tearms lined up as follows:
